

Summer '09 Permission Form

We are very conscientious about monitoring who drives your son during his stay at Kawanhee. Only designated staff members 21 years of age or older may drive campers on trips out of camp. One possible exception to this rule is when parents, relatives, or friends visit camp. At such times, your son may be invited to leave camp for dinner or another outing and be driven by one of these persons. Please indicate below your preference for authorizing such travel by circling the appropriate category, A, B or C

- A. I authorize such travel
- B. Only if we grant permission by phone or other means, at time of visit
- C. NO - not under any circumstances

Parent Signature: _____

Your \$175.00 deposit is recorded on your son's "Incidental Account". Charges are made against the \$175.00 for canoe paddle, weekly allowance, Wigwam newsletter, camp store articles, and other incidentals. Most boys hold closely to the \$175.00 but a few go over. We refund unused balances in August and charge for any overages.

If you prefer to hold your son to the \$175.00 and do not authorize any overage, please sign here:

If it is ok to exceed the \$175.00, please sign here:

Occasionally, in addition to our catalog, Camp Kawanhee uses photographers taken of boys during the summer for promotional purposes. If you do **NOT** want your son's photograph to appear in promotional material, with the exception of the catalogue, please sign here.
